

Saturn in Capricorn: December 2017 - March 2020, July - December 2020

SATURN is the planet of restriction and limitation, responsibility and goals, discipline and lessons, maturity and ambition. His movement into his home sign, Capricorn, amplifies this energy and makes us more comfortable with it in some ways, but also demands more of us in other ways.

First impact: HOUSE

The house(s) Saturn will be touring while in Capricorn are the first areas you should assess for impact. What does the house or do the houses rule that Saturn in Capricorn will tour in your chart? How may you need to learn lessons, take on responsibility, get more disciplined, or be more serious over the next few years of your life?

Saturn in Capricorn: December 2017 - March 2020, July - December 2020

Second impact: ASPECTS

Saturn energy RESTRICTS, and he rules RESPONSIBILITY, GOALS, AND DISCIPLINE. Conjunctions bring super restriction, sextiles and trines are easy focus, squares are internal difficulties, and oppositions are external issues.

Aspects:

Conjunction: Capricorn
Sextile: Scorpio or Pisces
Square: Aries or Libra
Trine: Taurus or Virgo
Opposition: Cancer

Focus first on conjunctions, squares, and oppositions, as these will get the force of Saturn on them. These will be aspects where you'll need to work extra hard, be extra focused, extra responsible, and learn extra lessons, and they can bring extra challenges. The sextiles and trines can be periods of stabilizing energy you can work to make the most of.

Saturn in Capricorn: December 2017 - March 2020, July - December 2020

General impact:

Come up with three different areas of your life where you can become more responsible:

Come up with three different lessons you need to work on learning:

Pick three major goals you can work on achieving over the next few years. Choose goals that are realistic and that you can work on long-term plans for right away:
